Re: Resubmission of Comments in DA 02-3062

Dear Ms. Dortch:

On behalf of TDS Telecommunications Corporation (TDS Telecom), I am filing this Erratum to ensure that the TDS Telecom comments in the above-referenced proceeding are associated with the public record and available to other parties. The original comments were submitted on December 2, 2002, in "hard copy" form because the Commission's electronic filing system would not accept electronic filings for this proceeding at that time.

Since that time, however, we have been advised that the TDS Telecom comments are not available on the electronic website. Accordingly, so that all parties may have access to our submission, I am refiling the comments electronically today. To avoid confusion, the comments have not been changed from those originally filed and are dated as of the day on which they were originally filed.

In the event of any questions, please let me know.

Very truly yours,

Margot Smiley Humphrey
